Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Practical Branding reveals how to. Make your company the brand of choice for prospective customers! Are you going to continue to wait for customers to walk through your doors? Or are you going to take control of your brand image and build a company that leaves prospective customers no choice but to think, you are the only company to buy the product or service from! Dominate your competition with easy to implement strategies! Many companies send their sales people out into the market with a message of me too, rather than why me. This book teaches you how to dominate your competition by positioning your company with what makes it unique. Put yourself in the customers position, if you see 10 salespeople and they all say their products do the same thing and fill the need in the same way, it then comes down to cost. Don't fall into this trap. Stop using the trial by error method of building business and finally get noticed in your market! These tried and true lessons are best practices used by successful business owners all over the world. This straight-forward information will have you on the right track quickly. Many companies spend years trying to figure out these best practices, skip the learning curve and start enjoying the success you want. Increase your closing ratio by building a company presentation so powerful that customers will only want to do business with you! Learn the secrets of building credibility and closing more sales. What are the components of credibility in the mind of your customers? How do you build social proof? Why is social proof so important? How to package it...
