The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

Brand New Book ***** Print on Demand *****.Angie: What can I say about Detective Levi Olsen? From the moment, five months ago, when he stepped off the elevator and into my life, he has rocked my world. He has a swag about him that s mysterious and dangerous at the same time. At first, I didn t understand why he had such a fear of losing control until he showed me his secret. Even then, I found myself being drawn to him like a moth to a flame. He didn t care about the jaded life style I was born into. I couldn t have asked for a better man. At least that s what I thought, until he disappeared with the woman I hated most, Nevaeh. How could Levi betray me? I had hopes of us becoming a happy family, but there s no way in hell, I could stay. Then again.maybe it s better this way. There s so much more to me than he realizes. If he knew all of my secrets, I m sure he would second guess his decision to be with me, just like with all my other failed relationships before him. All of my time and energy needs to be spent on being there for my daughter, Luna. Levi: If Angie thinks that I m going to sit by and let her get away from me, she s out of her damn mind. In fact, my true...
