Orion Publishing Co, United Kingdom, 2006. Paperback. Book Condition: New. 197 x 129 mm. Language: English . Brand New Book. The second Captain Alatrisme novel, from a series which has sold 4 million copies worldwide A woman has been found in a sedan chair in front of a church, strangled. In her hand is a pouch containing fifty escudos and a handwritten - but unsigned - note bearing the words For masses for her soul . The chief constable Martin Saldana confides in his old friend and comrade in arms, Diego Alatrisme. Still in danger from the powerful enemies he made in his first adventure, Captain Alatrisme is considering returning to Flanders where the war has just resumed. But first, his old friend Quevedo asks him for a favour. The daughter of one of his friends must be rescued from a convent, which certain priests seem to be treating as little more than a harem. Then the woman who brought the girl to the convent goes missing and the connection is made to the murder at the church. It seems that Alatrisme s sword is required once more.
