Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

ARCHETYPES: WHO ARE YOU?

Hay House Inc. Paperback. Book Condition: new. BRAND NEW, Archetypes: Who are You?, Caroline M. Myss, Have you ever wondered why you are drawn to certain people, ideas, or products and turned off by others? Are you constantly searching for something you can't put your finger on, or wondering whether you are living a life that truly fits? In Archetypes: Who Are You?, New York Times best-selling author Caroline Myss delves into the world of archetypes, which have been the subject of her work for more than 25 years. Archetypes are universal patterns of behavior that, once discovered, help you better understand yourself and your parcel in the world. In short, knowing your archetypes can transform your life. Within the pages of this book. Myss writes about ten primary archetypes that have emerged in today's society: the Caregiver, the Artist/Creative, the Fashionista, the Intellectual, the Rebel, the Queen/Executive, the Advocate, the Visionary, the Athlete, and the Spiritual Seeker. In each chapter, she explains one individual archetype, showing how it has evolved and then in fascinating detail lays out the unique characteristics, the defining graces, the life challenges, and other information to help you understand if you are part of this archetype family and if so, how you can fully tap into its power. She also offers tips and practical advice on how to fully engage with your archetype. Learning which archetype best describes you is just the beginning. You can then use this knowledge to make more conscious decisions about everything from careers to relationships, avoiding common pitfalls of your personality type while playing up your strengths. The result is a happier, more authentic you. It's never too late to change your life by embracing your archetype to the fullest. So are you a Rebel? An Artist? A Visionary? Join...
