Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

THE DEVELOPMENT OF ANTHROPOSOPHY SINCE RUDOLF STEINER'S DEATH: AN OUTLINE AND PERSPECTIVES FOR THE FUTURE

SteinerBooks, Inc, United States, 2015. Paperback. Book Condition: New. Translation. 226 x 150 mm. Language: English . Brand New Book. This volume begins with Thomas Meyer's assessment of Anthroposophy's evolution since Rudolf Steiner's death and its future prospects. He offers an overview of the eighty-seven years of the development of the anthroposophic movement and the Anthroposophical Society, the worldwide organization headquartered in Dornach, Switzerland, since the death of its founder. The Society went through a very difficult and controversial period in the ten years following Steiner's death, which culminated at its Annual Meeting in 1935. The result was the expulsion from the Society of two members appointed by Rudolf Steiner to its Executive Board (Vorstand)-Ita Wegman and Elizabeth Vreede-as well as the British and Dutch branches of the Society and many important anthroposophists who opposed the expulsions. Meyer-whose many books include *Rudolf Steiner's Core Mission*-reveals the extraordinary concordance of four November 17 dates highly significant in the development of Anthroposophy. On November 17, 1901, the anniversary of the founding of the Theosophical Society in 1875, Marie von Sivers asked Rudolf Steiner to create an esoteric path suited to the Western mind, which set Steiner on his mission. On November 17, 1923, Ita Wegman urged Steiner to establish a new Society, with Steiner himself joining as both a member and its president. Twelve years later, on November 17, 1935, the remaining three individuals of the Executive Board wrote to Adolf Hitler to plea for the Society's continued existence in Germany after being banned in Germany by the Nazi regime. Profound connections underlie these events. Four appendices supplement the present volume. Appendix 1 presents a Chronology that denotes, by year and day, significant episodes in Steiner's life and in the development of Anthroposophy. The remaining...
