

Letters to God

By David A Jones

America Star Books, United States, 2006. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Letters to God is a compilation of the most pressing issues I have faced in recent years. In each letter, I have expressed a variety of emotions, depending on the situation that I was facing at the time. I created this written forum to document many of my unspoken prayers regarding personal issues with which I have struggled. As it developed, I found that my faith was greatly strengthened and that I always worked to leave the issue in the hands of God, rather than trying to fix it myself. In the end, I felt that this effort might help other men by potentially opening a forum between trusted friends to discuss troubling issues, as well as providing a tool to pattern prayers to God.
