SIMON SCHUSTER AUDIO, United States, 2015. CD-Audio. Book Condition: New. abridged edition. 146 x 132 mm. Language: English . Brand New. The Greater Journey is the enthralling, inspiring and until now, untold story of the adventurous American artists, writers, doctors, politicians, architects, and others of high aspiration who set off for Paris in the years between 1830 and 1900, ambitious to excel in their work. After risking the hazardous journey across the Atlantic, these Americans embarked on a greater journey in the City of Light. Most had never left home, never experienced a different culture. None had any guarantee of success. That they achieved so much for themselves and their country profoundly altered American history. As David McCullough writes, Not all pioneers went west. Elizabeth Blackwell, the first female doctor in America, was one of this intrepid band. Another was Charles Sumner, who enrolled at the Sorbonne because of a burning desire to know more about everything. There he saw black students with the same ambition he had, and when he returned home, he would become the most powerful, unyielding voice for abolition in the U.S. Senate, almost at the cost of his life. Two staunch friends, James Fenimore Cooper and Samuel F. B. Morse, worked unrelentingly every day in Paris, Cooper writing and Morse painting what would be his masterpiece. From something he saw in France, Morse would also bring home his momentous idea for the telegraph. Pianist Louis Moreau Gottschalk from New Orleans launched his spectacular career performing in Paris at age 15. George P. A. Healy, who had almost no money and little education, took the gamble of a lifetime and with no prospects whatsoever in Paris became one of the most celebrated portrait painters of the day. His subjects included Abraham Lincoln. Medical...
