Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The History of Hindostan, Vol. 3: Its Arts, and Its Sciences, as Connected With the History of the Other Great Empires of Asia, During the Most Ancient Periods of the World With Numerous Illustrative Engravings The farther the reader proceeds in the Life of the Eight Avatar, the more he must be convinced of the absurdity and impiety of the comparison, which has been so insidiously attempted to be made by M. Volney, between the Christian and the Indian Preserver. As he has already, in the two introductory chapters, been sufficiently prepared to form a proper judgment on the subject of Creeshna, I have permitted the sportive young deity to continue acting his romantic exploits on the plains of Mathura; only throwing an occasional veil over the more licentious parts of the conduct of this Apollo Nomius of India, whose amours are certainly not less numerous than those of the Greek; of whom, in many respects, he appears to have been the studied exemplar. It cannot be denied, however, that, amidst all this licentiousness which the Brahmins, in fact, are anxious to explain away, as if the whole were a sublime allegory, resembling the Greek story of the loves of Cupid and Psyche, there often issue from the lips of Creeshna maxims and precepts worthy of a deity; while many of the apologues, occasionally introduced into it, impress the noblest lessons of piety and philanthropy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
