Dyffryn Gardens

By Carys Howell, National Trust

National Trust. Paperback. Book Condition: new. BRAND NEW, Dyffryn Gardens, Carys Howell, National Trust, Dyffryn was created over two generations of the Corry family, who were wealthy coal and shipping magnates in south Wales. They built the grand Renaissance Revival mansion in 1893 and commissioned the leading landscape architect Thomas Mawson to design an ambitious masterplan for the garden. After the Corry family left Dyffryn in 1936, the estate declined, but in 1996 it was rescued by the Vale of Glamorgan Council, which brought the gardens back to life. Now leased to the National Trust, there are ambitious plans to continue the transformation of the house and gardens with the generous support of the Heritage Lottery Fund. This new guide contains a detailed map of the gardens and a lavishly illustrated tour of their key features. From the Arboretum's amazing collection of historic 'champion' trees to the more intimate outdoor 'garden rooms', or the voluptuously planted Herbaceous Borders, each delight with their own distinctive character and planting, often containing rare flowers, shrubs and trees from all over the world. It also tells the fascinating story of Dyffryn and the Cory family in their Edwardian heyday.

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
