Shearsman Books, United Kingdom, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Flags was the only volume of poetry published by the Russian emigre poet Boris Poplavsky (1903-1935) during his own lifetime. A significant Surrealist volume, it is one of the lost creations of a man who has been called the greatest of the Russian emigre poets. Now recovered by Russian literary experts and re-edited for a new public, Poplavsky is gaining the readership that eluded him in his lifetime. Unusually, this book presents the complete contents of the original volume (Paris , 1933), rather than presenting a Selected or some other overview, and thus opens a window onto a fascinating and unfairly neglected figure.
