Createspace, United States, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Leadership is both an art and a science. Effective leaders combine scientific principles with artistic flair and charisma to guide their organizations. This book provides a slightly different look at leadership and organizations to help you see how effective leadership is steering, not pushing or pulling. The smooth, even motions of steering help you - the leader - reach your desired goals by avoiding potholes and obstacles. Take a little time to read it to see. * The three primary functions of leaders * How other leadership models fail * Why inspiring shared values and vision help the organization roll by itself * How to decide how you will lead, regardless of how your boss may behave You will also read some leadership lessons learned through years of observation and practice.
