Createspace, United States, 2015. Paperback. Book Condition: New. large type edition. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.First and foremost: THIS IS NOT A METHOD BOOK. It is precisely what it says it is: 300 Progressive Sight Reading Exercises! Volume One is comprised of 300 progressive eight-bar exercises that cover the keys of C Major, F Major, G Major, A Minor, D Minor and E Minor. Time signatures include 4/4 (Common Time), 3/4, 2/4, 6/8, and 2/2 (Cut Time). The remaining key signatures, additional time signatures, tempo markings and dynamics markings will be covered in future volumes. All of the exercises are eight measures long. If one has done any study of formal analysis, they will find that eight measures is a typical period of music and usually contains two, four-bar phrases (also typical in length). For example, many sonatinas, jazz standards, and pop songs use 32 Bar Form (A A B A), Binary Form (A B), and Ternary Form (A B A), with each section often being eight bars. Thus, eight measures (one period of music) makes the perfect length for sight-reading studies in my opinion. How to use this book: Start where the exercises begin and work across the book - from exercise 1, 5, 9, 13 and so on until you get to a point where the music challenges you and then mark your ending point. The next practice, play exercises 2, 6, 10, 14, and so on. The next: 3, 7, 11, 15 and so on, and finally 4, 8, 12, 16, and so on. If you want to work at your break point (the point in the book where you can no longer play musically), work DOWN the page instead of across the pages. Note: This book...
