THE INVISIBLE HAND

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Invisible Hand uses the thriller genre to explore human contradictions: life and death, right and wrong, love and obligation, loss and dreams. The Invisible Hand is a thriller with brains and heart, about the vast greed and lust for power driving financial globalization. It is about men whose ethical visions are seen through broken glass, and who travel along roads that beckon with false light, inevitably leading them to dark channels of violence and mindless destruction-the deadly fantasies of powerful old men s dreams. It is about our time. A frighteningly current and realistic tale of intrigue and duplicity, The Invisible Hand is set in the world of international monetary speculation. It raises fundamental questions about whether or not it s possible to make the world a better place for ordinary people. Are the opportunities for corruption so pervasive, the domination of technology so complete, the capacity for brutality so inherent, the speed of destructive forces so beyond comprehension and control, that efforts at significant progressive change are inevitably doomed? Has the nation state lost its ability to govern and meet the needs of its citizens? Two men-Matt Webster and U.S. Senator Zeke Hascomb, both unable to let go of the past-clash on opposite sides of the race to control foreign exchange speculation before the world economy collapses. Unlikely hero Matt Webster, an ex-baseball great and former phantom Wall Street trader known only as RBI, is pressed by the U.S. president into crafting a solution. Matt, having lost two life dreams, believes that he puts the people he loves in danger; which is exactly what he does when he answers the president s call. Zeke leads a...
