Brand New Book ***** Print on Demand *****.Excerpt from A Complete System of Latin Prosody: For the Use of Schools, Colleges, and Private Learners; On a Plan Entirely New Among the most highly polished nations, whether of ancient or of modern times, a knowledge of Latin Prosody has ever been regarded as a qualification, indispensable to every one claiming the reputation of a classical scholar. And, considering the intimate connexion subsisting between the knowledge of a learned language, - particularly of one so marvellously metrical as the Latin, - and that of its Prosody, this cannot seem strange: because without the latter, the former is, in some degree, unattainable, or at least imperfect. With the single exception of the Greek, probably no language in the world can boast a versification, approximating that of the stately Roman. In beauty, sweetness, and melody, it is unrivalled: - in the admirable arrangement of its vowels and consonants, it is the perfection of art: - while the harmonious and ever varying recurrence of long and short syllables (in strict accordance with the nicest principles of music), has rendered...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
