Friendship bracelets are for young and old, teenagers and grandparents; from friend to friend or from boy to girl. Just learn two basic knots, use a safety pin to keep your work taut, and then knot colorful cotton threads into a host of different patterns. This book shows - row by row in colored easy-to-follow diagrams - how to make twenty-two different designs of bracelet. Using eight to twelve threads per row, create chevrons, stripes, diamonds and many other patterns in a carnival of colours. When you have made your bracelet, tie it on your friend's wrist - he or she will not be able to fasten it without your help - as a lasting token of regard and affection from one person to another.
