Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

SMOKE AND MIRRORS THE POLITICS AND CULTURE OF AIR POLLUTION

[DOWNLOAD](#)

NYU Press. Paperback. Book Condition: New. Paperback. 360 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. Who gets to breathe clean air? Who benefits from the cheaper products produced with dirty air? The answers, as the contributors to *Smoke and Mirrors* tell us, are sometimes as gray as the air itself. From the coal factory chimneys in Manchester in the late nineteenth century to the smog hanging over Los Angeles in the late twentieth century, air pollution has long been one of the greatest threats to our environment. In this important collection of original essays, the leading environmental scientists and social scientists examine the politics of air pollution policies and help us to understand the ways these policies have led to, idiosyncratic, effective, ineffective, and even disastrous choices about what we choose to put into and take out of the air. Offering historical, contemporary and cross-national perspectives, this volume provides a refreshing new approach to understanding how air pollution policies have evolved over time. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
