Brand New Book ***** Print on Demand *****.Excerpt from An Offering of Sympathy to the Afflicted: Especially to Bereaved Parents In offering this little book for the consolation of the afflicted, the compiler wishes to contribute something to the supply of a want, that has been much felt among us. The children of sorrow are at all times a numerous class of mankind. It pleases God that they should always be with us; and we ourselves must in our turn become a part. Notwithstanding the many valuable treatises on other subjects of religion, both the experience of ministers, in their offices of consolation, and the personal trials of all christians sufficiently attest the need there yet exists of works, which may meet the various conditions of sorrow, and yield the instruction and comforts they may require. It will at once be perceived, how largely the writer has been indebted to the contributions of others. These form the greatest and most valuable part of the work.
