From New York Times bestselling author of The Wednesday Letters comes the completion of one family's journey to survive their past and forge their own future. With no more secrets . . . When Noah Cooper bumps into Rachel, it's love at first sight at least for Noah. Rachel isn't so sure. But Noah's charm pays off, and he introduces his bride-to-be to a special Cooper family tradition the wedding letters. Family and friends of the happy couple are invited to send letters of advice on love, life, and happiness. However, when a dark secret from Rachel's past surfaces, will Noah and his parents, Malcolm and Rain, be able to help save the wedding from disaster? And what about the scrapbook of wedding letters that have already been gathered? Could a single letter really provide the answer that will bring Rachel back? Set against the backdrop of Virginia's Shenandoah Valley, The Wedding Letters will remind you that sometimes, no matter the secrets of years past, two hearts can still be one. And by the final page, you might just want to create your own book of wedding letters for someone you love.
