

Oman: The Present in the Context of a Fractured Past

Filesize: 1.2 MB

Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

OMAN: THE PRESENT IN THE CONTEXT OF A FRACTURED PAST

[DOWNLOAD](#)

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The Sultanate of Oman is a key member of the Gulf Cooperation Council and ally of the West located on the strategically critical Straits of Hormuz at the entrance to the Arabian Gulf. Contrasting sharply with its tumultuous past, its political experience of the last 40 years is often offered as a model of successful social, economic, and political development and stability. Oman is an example of how lines on a map emerge as a stable, unified nation. In addition, the ultimate success of Sultan Qaboos bin Taimur al-Sa'id (1970- present) in defeating the Dhofar insurgency in the 1970s is widely regarded as a model for counterinsurgency operations. The subsequent infrastructure and economic investment in Oman in general and in Dhofar in particular are cited as successful examples of using development as a compliment to military operations, thus removing the oxygen on which the insurgency thrived. These views are absolutely correct with regard to the last 40 years, but as recent Middle East events have demonstrated, political and cultural myopia can result in distorted analysis, which in turn can lead to unpleasant surprises. Placing too much weight on contemporary events, in this case the last 50 years, in a region where that is a historical blink of the eye can be problematic. From a policy perspective, the contemporary period, the exception, becomes the rule on which planning and strategy are based, often putting both at risk. This short-term Western view of the past and progress is in sharp contrast to that of Middle Eastern cultures that define themselves based on interpretations of events that happened millennia in the past. It is difficult for outsiders to fully comprehend...
