Maximo, Joao Luis Coelho, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: Portuguese . Brand New Book ***** Print on Demand *****. A primeira edicao em portugues do classico de Havelock Ellis sobre homossexualidade. No final do seculo XIX, Ellis teve a coragem de publicar abertamente um estudo detalhado e desapaixonado sobre a problematica da inversao sexual, que recentemente havia condenado Oscar Wilde a prisao e nos seculos anteriores classificara os culpados do nefando pecado como hereges e degenerados. No 1 capitulo, Ellis descreve exemplos de homossexualidade entre animais, povos primitivos e selvagens e apresenta os casos da historia classica e moderna mais importantes. Importante para os estudiosos do tema (sexologos, antropologos, medicos, psiquiatras), esta obra e acessivel e interessante para todos. A escrita de Ellis e escorreita e acessivel, estando recheada de curiosidades e apontamentos, como em: Holder examinou botes esplendidos fisicamente, atraentes e de perfeita saude. Com muita relutancia, concordou fazer exames meticulosos aos seus orgaos sexuais, concluindo que eram completamente normais, embora talvez mais pequenos do que o seu physique faria supor, talvez porque nunca tivessem sido usados em relacoes sexuais com mulheres, ou em, No Tahiti, no inicio do seculo XIX, Turnbull descobriu que ha um conjunto de homens neste pais cuja profissao declarada e tal abominacao que a louvavel delicadeza da nossa linguagem nao vai permitir que a mencionemos. Sao chamados pelos nativos de mahoos ; assumem o traje, a atitude e os costumes das mulheres e todos afetam as fantasticas excentricidades e garridices da mais vaidosa das femeas.
